『日本観光の魅力』

【プレゼンテーション】

① 史跡名勝

- ☆ 海に囲まれ、山が多い、多くの景勝地、明確な四季、季節ごとに様々な旅行、具体例、史跡観光も充実、具体例

Because Japan is surrounded by the sea and 67% of its land area is mountainous, there are numerous scenic spots in Japan. In addition, Japan's four seasons are distinct, so visitors can enjoy traveling in various ways depending on the season, such as sightseeing, mountain climbing, trekking, fishing, diving, skiing and so on. Japan is also abundant in historical places including Kyoto and Nara, where you can appreciate a countless number of ancient buildings and treasures.

② 観光施設

- ☆ 日本の体験、具体例、旅館がお勧め、理由

There are also a lot of places where you can enjoy experiencing things Japanese including local foods, culture, events and traditional lifestyle as well as modern entertainment such as theme parks, theaters and resort facilities. It might be a good idea to stay at a traditional Japanese-style inn called ryokan, where guests can experience Japanese cuisine, lifestyle and outdoor hot spring baths.

③ 交通設備

- ☆ 新幹線、大都市の地下鉄・バス、一日バスツアー、食と文化体験

Japan's public transportation is very convenient. You can travel between major distant cities using the high speed bullet trains, and in big cities there are frequent subway and bus services, which help you to travel around very efficiently. There are also a wide variety of one-day bus tours available in most areas, offering various services including food and cultural experiences.

【質疑応答】

1. *What are some good ski resorts in Japan?*

Hokkaido has many good ski resorts with high quality powdery snow. Niseko is probably the most popular. Meanwhile, the ski resorts with easy access from Tokyo include Karuizawa in Nagano Prefecture, Zao in Yamagata Prefecture, and Minami-Aizu in Fukushima Prefecture.

2. *What season is the best for touring around Japan?*

Many tourists say they like spring, when the weather is mild and the cherry blossoms are in bloom, but each season in Japan has its own appeal. Festivals and fireworks displays are held across the country in summer, colored leaves are beautiful and delicious seasonal dishes are available in autumn, and winter is the best season for ski lovers.

3. *What are some charms of hot spring baths?*

Hot springs contain various minerals and have the effect of promoting good health, such as better blood circulation. Also, they are usually located in natural areas, where you can enjoy fine views of mountains, lakes, rivers, and seas. It is so relaxing to soak in an outdoor hot spring bath surrounded by such beautiful scenery.
